Office Hours: Monday - Thursday, 10AM-2PM | Monday evening 5-7PM

By appointment November 1 - March 1

From the Water Authority....

ADOPT-A-HYDRANT CONTEST WINNER

This quarter's winner of the Adopt-a-Hydrant Contest is James Caserta. James was nominated by Ken Caserta for clearing the snow around the hydrant near 945 Robison Road.

For his efforts, James will receive a \$50 gift certificate to a Summit Township restaurant or business of his choice.

The Adopt-a-Hydrant contest will resume next season.

Special thanks to all who help keep our hydrants clear. We appreciate your efforts.

Thanks again!

John Troutman, Manager

NEWSLETTER DEADLINE

The next deadline for submission of newsletter articles is **July 26th!** Our next newsletter will be published in early September.

SUPERVISOR'S CORNER

Hello Summit Residents,

We have seen another winter come and go and I'm looking forward to spring. We have been working on our street sweeping and yard repairs and are actually ahead of schedule.

There are several storm sewer projects scheduled for this summer which include; Hamot Road just north of New Road, Dorn Road midway between Peach Street and Hessinger Road, and the intersection of Footmill Road and Donation Road.

Paving Projects will be focused on the commercial district off of Peach Street and will include Mandy Lane between Commons Drive & Douglas Parkway and Keystone Drive west of Peach Street. Spot patch paving will be done in Glenmar Gardens.

Our ADA project is still ongoing in Valley View Subdivision and is expected to be finished this spring. We also have an ADA & Sidewalk project anticipated to begin this summer along the southwest side of Hamot Road from Chelsie Drive to Laurie Drive.

PennDOT continues to design the reconfiguration of the Five Points Intersection and expects construction to begin in 2021. Your input is valued for this project so please attend the public meeting at the Erie County Tech School on Thursday, May 2nd from 6:00pm-8:00pm.

Sincerely, *Mark Welka*

Hello All,

Well, it would appear spring is here, and with that many projects will be taking place to prepare our parks and sports fields for the season ahead.

At Picnicana the insulation in the rec building will be finished and some repairs will be made to kitchen number one that sustained minor water damage from a leaking valve inside the wall last fall.

The Senior Center lighting will be upgraded to more efficient LED light fixtures. A new dishwasher and hot water heater were installed a few months ago making cleanup easier for those who use the center for lunches etc.

The ballfields at Community Park will be touched up. Field number three will have Duraedge material applied to the infield, making upkeep easier and playing ball safer.

I am looking forward to a warm and sunny summer ahead. Hopefully, everyone enjoys the nice weather while it is here.

Best Regards, *Tony Davis*

Hello residents, it is good to see spring here and warmer days coming. We have started to work on repairing roads. The mild winter is exceptionally hard on them, due to the freeze-thaw cycles. Also, we are in the process of preparing equipment for another season at Picnicana and Community Park.

New development seems to be steady but under control. Nothing really big on the horizon at this time. In many ways, it's always good to work at a realistic pace. Projects and renovations in our township have been doing well as far as not blocking the roads or putting mud all over them. We try to keep our roads clean and not let them turn into a construction staging area.

Many issues going on in the county. The PA State Police are still looking for a centralized Police Barracks location, but nothing has been decided on where or announced by the PA Department of General Services.

I have been appointed to the Erie County 911 Recruitment and Retention committee this past fall. We are working with all municipalities in Erie County to try and solve the EMS and volunteer firefighter shortage. Not an easy task. Most of the public have very busy lifestyles today and there are not near enough volunteers to go around.

Perry Highway Hose Company has done a fantastic job keeping up as first responders but at the same time,

mutual aid has been making it very hard on them. When outlying areas of Erie County's Emergency Services drop calls because of the lack of volunteers or a paid service, the next fire company available gets the call to provide the service. Therefore, one way or the other, Erie County is going to have to step it up simply because they have many areas very short on first responder services. This is a Statewide and a National problem.

We are scheduling more sidewalk projects in Summit this year, which we budget for every year, just to keep up and stay on track with our ADA improvement plan. One project will improve connectivity with our subdivisions on Hamot Road.

Another project planned, Matt Jonas will talk about in this newsletter, is the replacement of our little old narrow bridge on old French Road which is just north of Picnicana.

PennDOT just announced they will have a public meeting May 2nd from 6:00pm-8:00pm at the Erie County Technical School to discuss Road improvements on Oliver Road and the roundabout scheduled for 2021 Construction

With the nice weather coming, please drive careful, watch for children, bicycles, and motorcycles.

Thank you and let's have a great summer.

Thank You, *Jack Lee*

Perry Hi-Way Hose Company

Greetings fellow residents. As this quarterly publication comes out, we should be well past the snow and cold and into the warmer sunnier days of spring. For the fire department, that signals the start of grass/brush fire season, the potential for motorcycle accidents and the yearly residential fund drive campaign. Just as years past, the residential fund drive kicks off May 1st.

We expect the fund drive mailer to go out for delivery to your home around May 1st. This is the fire department's biggest and most important fundraising event. The residential fund drive has been done by mail only for many years now. Years ago, when we had more volunteers and less homes to visit, the fund drive was completed by the volunteers going door to door. This is no longer possible with our small membership and ever-expanding residential population.

We have had to increase the amount we are asking from every residence this year in order to keep up with our operating costs. We have not had an increase in our request for many years, yet our costs for operations have risen steadily. Included in the newsletter is a copy of our operational budget for you to review and see where your donations will go. I think many of you will be surprised at the costs to maintain our services to you. We are asking for every household to send in a donation this year. The current support rate of only 32% of households making a **tax-deductible** donation to Perry Hi-Way Hose Company cannot sustain the level of protection we provide 24/7/365.

Our small group of volunteers, currently 14 emergency responders, continue to take classes and answer the emergency calls in combination with the small paid staff of 2 or 3 members on duty every day. The number of emergency calls for last year totaled 1918, a record high number of calls received since our beginning back in 1948. 1277 of these calls were in Summit Township and 641 were to surrounding Townships on mutual aid. Just as Perry Hi-Way is suffering with low numbers of volunteers so too are our surrounding municipalities, making the need for mutual aid more prevalent.

We want to thank all those who came out to support our comedy show on February 23rd and the spring flea market/rummage sale at the fire station on April 28. We had almost 60 tables full of items for sale, filling the social hall to capacity. We will be planning to do both events again next year. Watch for the dates in future newsletters. Our fall fundraisers will be our purse Bingo on November 10th as well as 3 Christmas auctions. These dates will be confirmed and listed in the next newsletter.

In closing, I am asking for all residents of the Summit Community to support **your** emergency services provider. Please send in your donation once you receive our fund drive letter and attend our various fundraising events. Stop in to the fire station to see what your donations pay for. Let us work together to make the emergency services in Summit Township the best they can be. While we hope you don't need us, we stand ready to help in your time of need.

Let's get out there and enjoy the warmer sunny weather that spring has delivered and chase away those winter blues. More next Quarter.

Perry Hi-Way Hose Company Wins Awards

Perry Hi-Way received awards in 2 categories at the annual Erie County Firefighters Association annual awards banquet held Saturday April 13th at the Perry Hi-Way Social Hall. Perry Hi-Way received a first-place award for the fire prevention & safety education programs presented in 2018. We also received the award for EMS provider of the year for 2018. Members Kim Halloran, Nate Serafin and Amy Wunch were the recipients of this award for the care of a 25yr. old patient who suffered a sudden cardiac arrest at the Erie Bank Sports Park. Our crew arrived quickly and were able to defibrillate (shock) their heart to restart it with our AED. This patient was able to leave the hospital 4 days later and is doing well today.

A big congratulations to all those who made receiving these awards possible!

John Spaulding, President, Perry Hi-Way Hose Company

WELCOME TO THE 2019 SUMMER REC PROGRAM

The Daytime Summer Program, held at Picnicana Park, will run for **SEVEN** weeks starting June 10, 2019 and ending July 26, 2019. Program meets rain or shine! There will be **NO PARK PROGRAM JULY 4TH**.

The Day Program for ages 6-16 meets 11 a.m. to 3:30 p.m., Monday through Friday. You must be six years of age to come to the Day Program, and have completed Kindergarten. The Pre-school Program for ages 3-5 meets Tuesday and Thursday, 11 a.m. to 1 p.m. Children must be **fully potty-trained**.

ALL CHILDREN MUST WEAR SOCKS AND SHOES DAILY.

REGISTRATION

Registration forms will be available on the Township Website summittownship.com and at the Township Municipal Building. Please call the Township Office at 868-9686 if you need them mailed directly to your home. **Completed registration forms must be received by the Township by May 24, 2019.**

No late registrations will be accepted.

Registration fee for **Summit Township Residents** for the Day Program is \$150 per child. Immediate families with three or more children will be charged \$350. Pre-school registration fee is \$100 per child. **Non-Residents** Daytime rate is \$175.00 per child. For Pre-School the fee is \$150.00 per child. Contact Pat McGuire (868-9032) if interested in a one-week registration at a cost of \$50/week per resident child and \$60/week per non-resident child. Requests will be honored, based upon availability, on a first-come first-served basis.

****Come to the park on May 4th, 2019 to meet the staff and get information about the summer program from 9am-12pm. Registration packets will be available but no payments accepted at this time.****

FREE LUNCH

AGAIN this year a FREE lunch will be provided by FLB School District for all registered children! Refrigerators are available to store lunches for those not interested in the free lunch. Pop and snacks will be sold. For the Day Program, a charge account system for snacks is available. This system **IS NOT** available to the Pre-school Program. **Pre-school** children will be allowed to buy snacks at 12:50 p.m., only with a parent present.

SPECIAL DAY PROGRAM FIELD TRIPS

- June 19th – Seawolves Baseball Game \$8.00 per child. Includes lunch (hotdog, chips and pop) Any parent wishing to come must sign up and pay with completed registration forms. **NO EXCEPTIONS.**
- June 24th – Sunview Mini Golf & Bumper Boat Ride \$8.00 per child. Please bring a lunch and a drink or money to buy lunch.
 - July 8th – PlayPort \$7.00 per child-lunch not included; \$12.00 per child-lunch included.
 - July 15th – Waldameer \$22.50 per child-no lunch included; \$29.50 per child-lunch included.

REMEMBER: Children attending the Day Program must sign themselves in and out daily!

PRE-SCHOOL PROGRAM SPECIAL EVENTS

All pre-schoolers in the Pre-school Program will be going to the Zoo on June 27th, from 11:30-3:00 (if you have a Zoo membership, please enter your membership number on the preschool permission slip). Also planned are relay races, playing games, singing songs, and making crafts. Parents must sign the children in and out each day. **PLEASE** dress your children in **OLD CLOTHES**.

ALUMINUM CANS

Please save your cans. On July 24th, we will have a pizza party with the money we get from recycling our cans. This is only for the Day Program.

FAMILY CARNIVAL NIGHT will be held Friday, July 26, 2019 at 6 p.m. Everyone is welcome to attend!

If you have any questions about the summer recreation program, please call **Pat McGuire at 868-9032.**

Can You Help Summit's Summer Recreation Program?

It is that time again when we are getting ready for the summer recreation program held at Picnicana Park. If you could donate any of the following items or have any items that could be used for our Chinese Auction please bring them to Picnicana Park from **June 10 to July 19 from 11:00am-3:00pm. Thank you!**

Needles	Children's Books	Nestle Quik containers	Grass seed
Paper Bags	Yarn	Paint brushes	Scissors
Glue (any kind)	Fun foam	Pringles cans with lids	Old Nylons
Wiggle eyes	Artificial Flowers	Old CDs	Stickers
Tape (any kind)	Foam Plates	Games (any kind)	Paint (any kind)
Balloons	Buttons	Plastic totes with lids (any size)	
Puzzles	Foam meat trays	Flower bulbs or any plant that comes up every year	
Frosting Containers	Paper Plates	Anything that can be used for crafts or prizes	
Styrofoam balls	Sequins		
Sponges	Empty Peanut Butter Jars (Plastic)		

****Please don't forget to join us at our Family Carnival on Friday July 26, 2019 from 6:00pm-8:00pm****

Hello from Robison Elementary School!

As the sun is starting to come out and shine, so are the students at Robison Elementary. This is the time of year where we reflect back on all that has been accomplished. I could not be more proud of the growth that our students have made this school year.

Robison Elementary is the special school that it is because of the people that we have working here and supporting us. We have been so fortunate to have worked with Mrs. Denise Hershberger who has served as our cafeteria supervisor and has been in the district for 30 years, Mrs. Amy Krasinski who has been taking care of the students of Robison for 28 years as our school nurse and Mr. Larry Roesch who has dedicated 15 years in our district as our head custodian. We would like to wish them all the best in their retirement. Your dedication and passion for your profession will be missed.

I would like to also take this opportunity to thank the Robison staff, Robison families, PTO and community for their ongoing support of our school. I am honored to be working with all of you to provide the highest level of education for our students. I am looking forward, with great anticipation, to another wonderful school year. I would like to take this opportunity to thank all of the Summit community members and Robison parents for their continued support this school year. Our dedicated PTO held monthly meetings to plan events like Pizza Bingo, Santa's Secret Shop, Book Fairs, Teacher Appreciation Day, Fundraisers and much more. Many parent volunteers stepped up to help with our annual Robison Musical and Halloween Runway show. We are so thankful to have the support of the Lion's Club on Read Across America Day. Robison Elementary is a place to learn and grow thanks to your continued support. On behalf of everyone here at Robison, I wish everyone a safe and relaxing summer.

Jenna Hopkins, Principal Robison Elementary

Summit Lions Club News

Our 22nd Annual Golf Outing is scheduled for Friday, June 7th. If you are interested, please contact me at the number listed below.

If you'd like to place an ad on our "Placemat" contact Lion Audrey Dick @ (814) 449-1391.

It has been my pleasure to provide you with information about our club, these past 2 years. This will be my last article for this newsletter since we are in the process of electing our officers for the 2019-2020 Lion Year. I want to thank all of you for your continued support of our Club.

Come and see what your Summit Lions is all about. We hold our Business meeting on the 2nd Wednesday of the month at the Township building at 7 PM and have our Dinner meetings on the 4th Wednesday of the month, please contact me to make a reservation at (814) 450-6033 or contact any other Lion member you may know for more information.

Also, stop at the Township Office and check out our Lion's history beginning in 1957 in the display cabinet in the lobby.

Lion Dennis Franz

Springtime Reminders from the Land Development & Zoning Office

Zoning Districts:

- There are thirteen (13) different Zoning Districts in Summit Township. Please call the Township Land Development and Zoning Office with any questions pertaining to specific Zoning Districts.

Zoning & Building Permits:

- Although there are situations when a Zoning or Building Permit is not required, be safe and assume you need a Zoning and Building Permit for all construction. Contact the Summit Township Land Development and Zoning Office for clarification regarding your specific project and situation.
- Accessory structures under 100 square feet in size do not require a Zoning Permit; however, all accessory structures must maintain the proper front, side and rear yard setbacks.
- Residential accessory structures under 1,000 square feet in size do not require a Building Permit and subsequent inspections.
- Inground swimming pools require a Zoning Permit, but above ground swimming pools do not require a Zoning Permit; however, all swimming pools must maintain the proper front, side and rear yard setbacks.
- All swimming pools with a holding capacity of twenty-four (24) inches or more of water in depth require a Building Permit and subsequent inspections under the Uniform Construction Code. These pools will likely require an impassible barrier which is legislated by the Uniform Construction Code.
- Decks require a Zoning Permit and must maintain the proper front, side and rear yard setbacks.
- Decks that are thirty (30) inches or more in height above grade require a Building Permit and subsequent inspections.

Vehicle Storage:

- Motor vehicles without current, valid license plates or inspection stickers, or vehicles which have been accident or fire damaged shall not be parked or stored in any zoning district, unless stored in compliance with the provisions of Section 617 of the Zoning Ordinance.

SPRING CLEAN-UP 2019

FOR SUMMIT TOWNSHIP RESIDENTS ONLY!

Spring clean up will be handled as a **DROP-OFF PROGRAM** again this year. Township crews will only pick-up appliances containing Freon (i.e. refrigerators, freezers, air conditioners and dehumidifiers) for residents who have registered and paid for the Freon removal in advance (**No later than May 8th**). Residents may bring all other eligible items to the Township garage during the time period detailed below. Township personnel will be on hand to accept items, which must be generated solely from your household and not brought in from elsewhere.

All residents will be required to show proof of residency (photo driver's license).

DROP-OFF PROGRAM SCHEDULE

DATES: Thursday, May 9th through Saturday, May 11th
HOURS: 8:00 a.m. to 7:00 p.m. Thursday & Friday
8:00 a.m. to 3:00 p.m. Saturday
SITE: Township Garage – 8900 Old French Road

GENERAL INFORMATION

Please read this information carefully! Only those items listed will be accepted, all others will be turned away.

ALLOWABLE ITEMS FOR THIS YEAR'S COLLECTION

- Air Conditioners (required freon removal fee paid**)
 - Appliances – Limited to **two** appliances per household. Duplicates of same appliance not accepted (i.e. two dryers). Refrigerators/Freezers (doors removed and required Freon removal fee paid**)
 - Dehumidifiers (required Freon removal fee paid**)
 - Washers (clothes and dish), Dryers, Stoves, Hot Water Tanks
 - Auto Parts (**NO GAS TANKS**)
 - Demolition Waste – bathtubs, sinks, toilets, house doors and windows **ONLY**(no other building demolition waste such as shingles, wood or blocks will be accepted)
 - Electronics – TVs, computers, keyboards, monitors, etc.
 - Furniture - TV's, mattresses, mattress springs, couch, chairs, dressers, tables
 - Lawn Mowers/Roto-tillers/Snowblowers
 - Metal Items (unlimited)
 - Tires (@ nominal fee – see cost breakdown listed below **)
- LIMIT 12 TIRES PER HOUSEHOLD.**
- Automotive Batteries

ITEMS NOT ALLOWED –

THE FOLLOWING ITEMS WILL NOT BE ACCEPTED:

- No Bagged Material - OF ANY KIND
- No Demolition Waste - other than items specifically listed above
- No Gasoline or Propane Tanks
- No Hazardous Waste – OF ANY KIND
- No Household Garbage
- No Paint or Oil Cans
- No Junk Vehicles

If you are unsure about a specific item, please call the Township at 868-9686.

**** FREON REMOVAL FEE @ \$10.00 each (Non-Refundable)** – Appliances that use Freon require this fee payment to defray the cost of having Freon removed. **Payment must be made** at the Township Building by **WEDNESDAY, MAY 8th**. Crews will only pick up items with Freon if the resident's name/address appears on a pre-paid list. **Freon items must be placed CURBSIDE BY 8 a.m., THURSDAY, MAY 9th and will be picked up either the 9th or 10th.**

**** TIRE FEE** – Tires will be accepted during drop-off hours with payment of the nominal per tire fee as follows:

\$2 – Tire OFF Rim	(18 inch diameter or less)
\$3 – Tire ON Rim	(18 inch diameter or less)
\$5 – Truck Tire	(19 inch diameter or more)

The nominal fee will help defray costs (per ton) associated with recycling of the tires.

(Note: Fee for tires is to be paid at the drop-off site, not in advance)

VEHICLES

Summit Township **CANNOT** take vehicles as part of spring clean up!

Vehicles that are unregistered/uninspected and visible on your property are in violation of Township Ordinances.

Avoid prosecution by having them removed.

Kiwanis Club of Fort LeBoeuf Bike Rodeo and Safety Day

Saturday, May 4, 2019

Robison Elementary Gym and Front Driveway

Please join us for a day of fun and safety!

This FREE event is designed for ages 3 - 12.

Event Parking is on the east side of the school.

All participants are to bring their bike and helmet. Free helmets will be available for those with damaged helmets, helmets that don't fit properly or no helmet.

9:00 – 9:30 Registration

9:30 - 9:45 Welcome and Procedures

*All Fort LeBoeuf elementary and middle school students will receive a pre-registration form prior to the event.

9:45 - noon: Visit stations in the gym such as Water Safety, Gun Safety, Pedestrian Safety, Bike Safety, Road Safety, Shopping Cart Safety, Animal Bites, Medicine Safety, Dental Health, Fire Safety with Perry Highway Hose providing the Smokehouse, and Fingerprinting. Complete a bike safety course where the rider will demonstrate bike safety skills.

All children will enter to win one of several bicycles to be raffled at the conclusion of the event. All families will receive a chance to win a \$100 Wegman's basket.

For more information contact debras703@gmail.com.

FROM YOUR SUMMIT TAX COLLECTOR:

Happy Spring!

As I write this newsletter it is sunny but a bit cold. Spring is here and the birds are chirping and the flowers popping up even though it is a tad cool.

By the time this news article reaches you, April 30th, the end of discount for county-township tax bills has passed. Face for CT is good through June 30th. July 1 begins penalty of 10%. School bills will be mailed June 30th. The school passes their budget in June, so I do not know until that time if there will be a mil increase. The second round of interims also are dated July 1st. These interim tax bills are "catch up" bills if you will, that prorate the assessed difference from the time you either closed on a new construction home, had a new mobile home moved into a park or have done some type of construction that would change the value of your home/property. Please remember the school bills are on a fiscal year from July 1 of any given year through June 30th of the next year. The color for school bills will be canary this year.

If you require a receipt, you can either bring both copies of your tax bill into the office when you pay or if sending via USPS (or in the locked mailbox to the right of the office door), send both copies and a S.A.S.E. This is stated on your tax bill. If your mortgage company pays your taxes, keep one copy for yourself and I can stamp. Mortgage companies only need one copy. If you lose your receipt, you can request a receipt via email to the email address listed below. I do not send receipts to 3rd parties such as accountants.

Just a reminder that I cannot take postdated checks (checks dated in the future). They cannot be deposited therefore your taxes are NOT paid. Your taxes are technically paid when your check clears the bank. If you do incur an NSF (not sufficient funds), you are required to "make good" on that payment in cash or certified funds. Payment will not be accepted unless the \$25.00 NSF fee is paid. This is also stated on your tax bill. I apologize for repeating this information, but these seem to be issues that keep happening.

August 31st this year falls on Saturday and Labor Day is Monday, September 2nd, I will accept discount in the office on Tuesday, September 3rd ONLY during regular business hours for school payments. Payment through the USPS mail MUST have postmark date of August 31st. Payments postmarked after August 31st will be returned and due at Face. You may also use the locked mailbox to the right of the office door. Do not leave cash in the locked mailbox. Please make sure your checks are correct and your phone number is on your check. If your check is incorrect and I have to return it to you, it is due in the payment period it is received in. I have to do reports and make remittances to the taxing authorities before the 10th of September.

Debra Cameron, Summit Twp. Tax Collector

1754 Townhall Rd. West, Erie, PA 16509 | (814) 866-2653 | dacameron@roadrunner.com

Monday - Thursday, 10AM-2PM | Monday evening 5-7PM | By appointment November 1 - March 1

If you're under a
TORNADO WARNING
SEEK SHELTER RIGHT AWAY

INDOORS

Get to a safe room, basement, or storm cellar.

If there's no basement, get to a small, interior room on the lowest level.

Use your arms to protect your head and neck.

Stay away from windows, doors, and outside walls.

OUTDOORS

If you can safely get to a sturdy building, do so immediately.

If there's no nearby shelter, take cover in a stationary vehicle & buckle up.

Do not get under an overpass or bridge. You're safer in a low, flat location.

Watch out for flying debris, which causes significant fatalities and injuries.

APPLIANCE RECYCLING PROGRAM

The Appliance Recycling Program offered by FirstEnergy's Pennsylvania utilities will pick up your working fridge or freezer and responsibly recycle it. You'll get \$50 and save money on your electricity bill.

Summit Community Food Pantry

Spring has sprung!

As the growing season will soon be upon us, remember that you can still obtain your canned, boxed and packaged food items through the Summit Community Food Pantry. During the summer there are readily available fresh fruits and vegetables at affordable prices and maybe you might even try to plant a garden of your own! We will be here all summer if you need us. If any Summit resident has extra produce from their garden, please think of us.

Regular food distributions are on the second and fourth Thursday of the month from 2:30pm-4:00pm. If you are a Summit resident and need assistance, you may come to any regular distribution day with proof of residency.

Summit Community Food Pantry (SCFP) | 1230 Townhall Rd., West, Basement, Erie, PA 16509

A "Hello!" and Update From Your Local Girl Scouts!

Girl Scouts Western Pennsylvania (GSWPA), our local council, merged Summit Township's Service Unit 3618 and Waterford's Service Unit 3619 at the beginning of the troop year in October 2018. This merger aligns with bringing all five of the Fort LeBoeuf schools into one Girl Scout Service Unit now known as Service Unit 3619 FLB (SU3619). SU3619 has 105 girls in eight Girl Scout troops and 3 Indie girls ranging from K-12, and 23 leaders.

Girls participated in both the MagNut fall sale and the cookie sale. The cookie sale was a huge success. Our SU3619 sold over 15,000 cookies to customers through orders placed individually with girls and through over 20 booth sales troops held locally. The per girl average for our SU3619 was 152 boxes/girl. If you still need more cookies, our local Council office in Edinboro can still satisfy your sweet tooth!

Troops in SU3619 participated in a swimming event held at the Union City pool in February and are looking forward to Presque Isle clean up in April, camping in June and a year-end awards family picnic in July. You will also see the girls marching in the Waterford Memorial Day and Waterford Days parades. Look for our Girl Scout table after the Waterford Days parade, from Noon to 4:00 p.m.! Plans are also underway for a bee pollination garden and placing bee poles to help save our bees; exact locations are still being determined so watch for an update regarding this project.

April and May brings us into the new "Daisy Launch". Look for flyers to come home through schools related to Kindergarten and First Grade girls looking to join Girl Scouts for the first time. An event is being coordinated with GSWPA and participating girls will also receive a fun participation patch.

We are always looking for interested and qualified adults to start new troops and to assist existing troops. If you are seeking a rewarding volunteer experience, please consider joining us. If you were ever a Girl Scout, you are an Alumnae and would bring great experiences to share. Troops need a minimum of 2 registered adults, and Pennsylvania clearances, to form a troop. Troops can't form without this basic minimum and the need is great for girls who want to participate in Girl Scouts. The greatest need is those brand new girls wanting to participate at the Daisy (K-1) and Brownie (2-3) levels. Spring is a perfect time to get registered, approved and go through training to be ready for new troops forming in the fall! More information about becoming a leader can be found at this link – <https://www.gswpa.org/en/for-volunteers/why-volunteer.html>

Girls and leaders are very appreciative of all of the wonderful support by our community, whether it is allowing troops space to hold meetings in schools or churches, being welcome to hold cookie booth sales at local businesses and for your overall support of your local Girl Scouts. Girl Scouts is vital and needed now more than ever in our fast-paced world. Girl Scouts is the organization dedicated solely to girls where they can grow and mature in a nurturing environment to become compassionate and strong leaders in our community and the world. Come join us!

NEWS FROM FORT LÉBOEUF HIGH SCHOOL

Bison Tech Team Achieves Winning Alliance

By Eva Tillich

FLB's Bison Tech Team was tasked with building a robot of their own design and code for the First Tech Challenge. The theme for this year's competition was Rover Ruckus.

The team was made up of the minds of 14 students from both the middle and high school. Many different mindsets and creative ideas came together through a combined team.

"Being our first year we wanted to establish a solid foundation for the years to come. This involved treading into unknown waters all of the time. We were able to meet many goals we created and show teams what we were capable of as a rookie team," said Andrew Crilley, junior, team captain.

On Feb. 24, the team traveled to Upper Saint Clair, PA for their first competition.

"In the individual competition we placed thirteenth. The top four teams were allowed to pick two teams to help them win (each round is played with four teams, two teams on each alliance), the top team picked us as one of their alliance members. Our alliance won overall, but we were unable to advance onto the state level," said sophomore Ashley Riley.

The top team recognized Bison Tech as a strong competitor and selected them to be a part of their winning alliance. The team was surprised that they were chosen considering it was their first year.

"We were in shock to see that we had won first alliance in our beginning season as it showed what we are truly capable of and what others should be looking out for in the future," said Crilley.

For the competition, the team had to create a self-driving robot that was able to lift objects.

"The tasks that we are given by First Tech took a long time to be able to accomplish in such a tight time frame. Having a large team as we had allowed for us to break into subgroups based on our strengths. This made it so we could accomplish multiple goals at once and then meet up in the end and review what was done as a group," said Crilley.

The team was divided into management, coding and building. Management kept meeting records and detailed reports about the robot. Coding worked on creating a program that would allow the robot to run. Building worked on creating the robot of their own design.

"I had to focus on team management and the Engineering Notebook, while other members such as Josh Elegeer focused on the design and build, but ultimately we all were able to overlap when we had ideas and suggestions to give," said Crilley.

The Dinsmore Project

BY Eva Tillich

Each year, the Senior Class Council attempts to make some type of donation back to the school or community. This year, the Class of 2019 decided that their class project would benefit a cause closer to home. They chose to do a benefit for patients of the Leukemia and Lymphoma Society.

The Leukemia and Lymphoma Society is an organization dedicated to fighting blood cancer through research, funding and education. Their mission is to help cure leukemia, lymphoma, Hodgkin's disease and myeloma. Also, to assist people suffering and their families.

The students created the Dinsmore Project in honor of Andy Dinsmore, parent and school board member,

Here We Grow Again

diagnosed with Stage 2 Hodgkin's Lymphoma. "We chose the Dinsmore Project because most, if not all of us, are close to Cassidy [Dinsmore]," said Morgan Cook, senior class president, "and we wanted to benefit an active member of the community and a fellow member of our class."

The Dinsmore Project consisted of a spaghetti dinner and Chinese auction. While there was no cost to attend the event, donations to patients and the Leukemia and Lymphoma Society were accepted. To spread the word throughout the community, seniors handed out flyers and reached out on social media.

During the dinner, people ate and also participated in a Chinese Auction. Several musicians from FLB attended to play light music during the dinner. "Casey Withers and Cassidy Dahlkemper played the violin. Adrienne Hanas played the piano in the lobby. Dylan Brown played the sax," said Mrs. Humphreys.

With regard to the Chinese auction, local community members and businesses as well as families of seniors donated baskets and prizes. Local organizations also donated gift certificates to aid in the event.

"We raised \$1,700 for the Leukemia and Lymphoma Society. We thought we'd get a couple hundred dollars..." said Cook. Seniors did not anticipate raising so much in funds or the amount of community involvement.

Whether helping serve food, greeting people at the doors or spreading the news about the event through word of mouth, students helped in any way they could.

"It was awesome. I was so incredibly proud [of the seniors]. They put in so much effort. They reached out to the community and initiated contacts," said Mrs. Humphreys. "The students did it all. I was their "go-to" person for questions and advice. They designed the flyers, distributed them, and worked the tables. Chef Tech was amazing, he took care of the food. We just needed to provide the staff and the students fulfilled that role."

America's Best Contacts & Eyeglasses.... Located at 1930 Douglas Parkway, Suite 300 between Famous Footwear and Blaze Pizza. At America's Best Contacts & Eyeglasses, they have what you need for new eyeglass frames, lenses, and prescription sunglasses. They are a low-price leader in a highly competitive eyewear market with more than 600 high-volume retail stores located across the U.S. Because we purchase a very high volume of eyeglass frames from manufacturers, they are able to negotiate low prices from our vendors. Then they pass those savings onto the customers. America's Best Contacts & Eyeglasses also owns and operates three of the highest-volume optical laboratories in the country. Outfitted with some of the most sophisticated optical equipment in the world, our labs are staffed by experts with decades of experience in eye care and manufacturing. Hours of operation are Monday – Friday 9:00am – 8:00pm, Saturday 9:00am – 5:30pm and closed Sunday.

IN THE WORKS:

Sheetz... Located at 8180 Perry Highway has recently completed the land development process for a proposed 433 sq. ft. Commercial Building Addition and Interior Beer Cave Renovations to their existing Commercial Store.

Chick-Fil-A.... Located at 7160 Peach Street, is starting through the land development process to remove some of the existing features and construct a 200 sq. ft. building addition, dual drive-thru lanes, meal order/delivery canopies as well as other site improvements.

Supreme Storage.... Located at 8251 Hamot Road has recently completed the land development process for a proposed outside expansion of the existing warehouse use by constructing a storage area for storing recreational vehicles.

Now that the nice weather has arrived and the dirt has been washed away, it's easy to see all of the trash that has accumulated along the roadways in Summit Township. A lot of what accumulates along the roads and in the ditches is a result of recyclables blowing out of our containers. If each of us picks up what is in front of our own property, all of Summit will be litter free in no time. Recycle what you can, throw away the trash, and we will all enjoy the nice, clean scenery!

Senior News

April showers bring May flowers. Soon it will be May - Hooray!

Everything is going well at the Summit Senior Center, thanks to Jim Crosby who promoted and with help organized our open house. We were pleased with the turnout and have some new members. It's nice to see people playing cards, putting puzzles together or just sharing their daily events with others.

Tuesday, April 23rd, 2019 we will have a presentation from Tye J. Cressman Esq. discussing ten topics you need to know about estate planning and elder law probate (and non-probate) assets, taxes and long-term care insurance.

It is wonderful to see our President Sue Seyboldt getting stronger and getting out. We continue to support her with our love and prayers.

Come and join us at the Summit Township Senior Center, 1450 Townhall Road

Tuesdays - Lunch will be served at noon.

We have 2 pool tables, numerous games (cards, dominoes, jigsaw puzzles).

Bring your friends or join with other seniors. Play your own games or mingle with other seniors.

This senior center was built to be a social hall for use by seniors and guests.

If there are no games you are interested in, just come and socialize.

Hoping everyone will enjoy the warmth and beauty of spring!

Dot Panitzke, Vice President

Fun for Seniors

FROM THE SEWER AUTHORITY

MEADOWS LIFT STATION

On January 24, 2019 the Summit Township Sewer Authority, (STSA) opened bids for the proposed replacement and upgrade of the Meadows Lift Station. The lowest qualified bidder was Konzel Construction Company, Inc., Erie. Their bid was \$582,000. The following additional bids were received: McLallen Construction, Erie: \$632,150; Chivers Construction, Fairview: \$672,000 and S.E.T. Inc, Lowellville: \$711,000.

The current project is a major upgrade of a lift station that was constructed in 2002 by the developer of the Meadows Subdivision. The station was dedicated to STSA for ownership and operation in 2003. Originally in 2003, when the station was put into service, the number of connections was expected to be 145 new homes in the Meadows Subdivision. Fairly soon after the subdivision was nearing completion, additional homes from the surrounding area began to be connected via tributary extensions.

In 2007 the STSA completed the South Hill Area Project with 3 additional lift stations, serving another 112 existing homes, was connected to the Meadows Lift Station. Also in 2007, a developer began the Cherry Hill Village Subdivision that would ultimately add 127 new homes. Then in 2008, the Country Side Subdivision began construction of an additional 106 homes. Lastly in 2014, the Cherry Hill Crossing Subdivision added another 60 homes. With a total of 550 homes connected into the Meadows Lift Station it has become an integral component of the Route 97 Subsystem. In addition, the proposed station will be capable for some future growth. However, at some point the 4,350 lineal feet force main will have to be upsized from 6" to 8" to accommodate the increase in flow.

The project is moving along satisfactorily in the initial phase construction. On February 28, 2019 the contractor was issued a notice to proceed and on March 20th the preconstruction meeting was held. The work is expected to be completed within 180 days. We at the STSA believe that this is a needed and important upgrade to the Summit Township public sanitary sewer system and expect to see it in service for many years to come.

If any sewer customer has any questions pertaining to the sewer system or billing concerns, please feel free to call the Authority at 868-4495 or attend a monthly meeting. Check your Township calendar for Sewer Authority meeting dates. The Authority office hours are 8:00 AM - Noon and 12:30 - 4:30 PM, Monday through Friday. If you plan to attend a meeting, please call and let us know. We will be glad to put you on the agenda.

William C. Steff, P.E., Manager

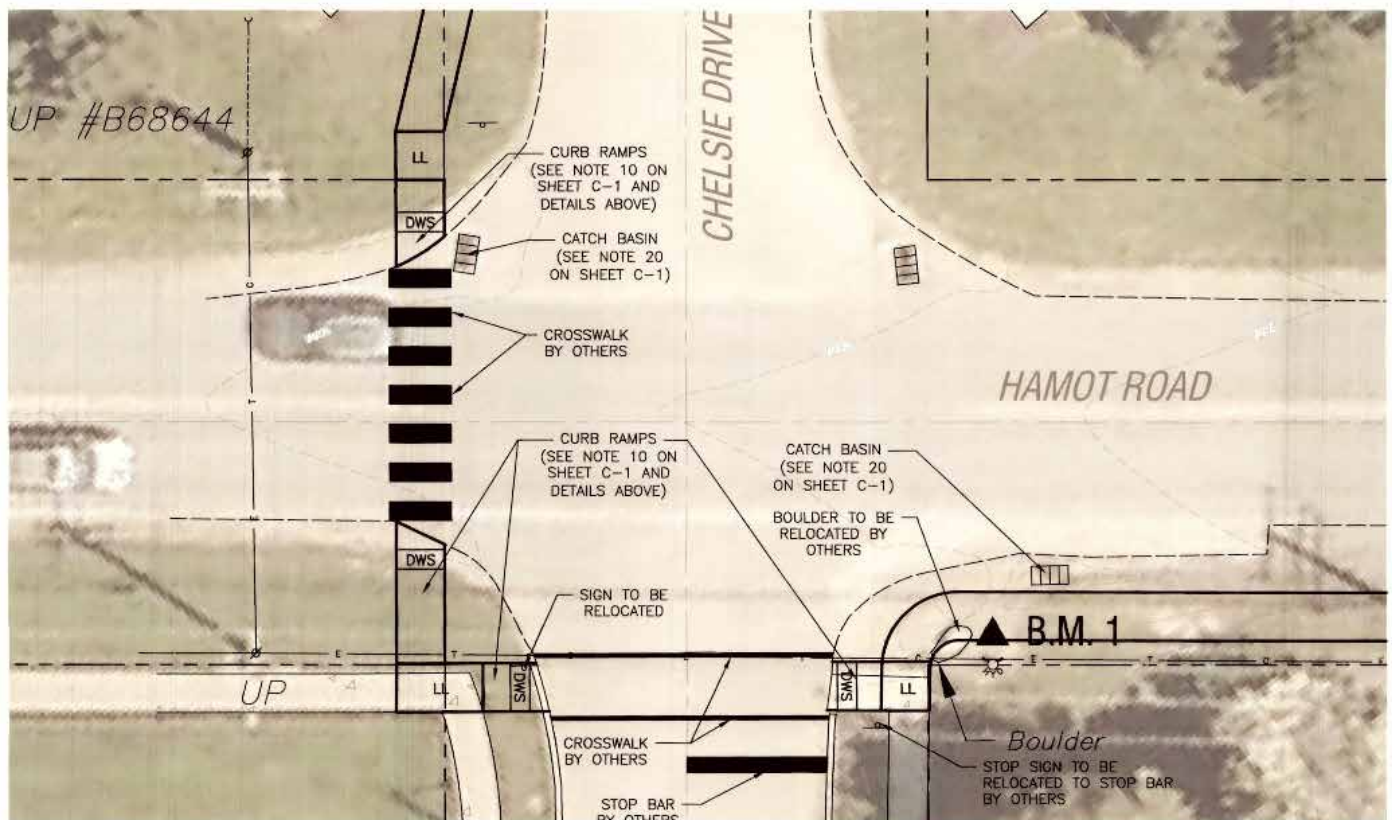

ENGINEER'S REPORT

The Old French Road Bridge is progressing. We were able to purchase the precast bridge and foundations directly from the manufacturer through Pennsylvania's COSTARS program. This is a system where Municipalities can purchase products off of existing open-end State contracts. Since the bridge is a significant cost, by doing this we see some cost savings on the project. So, on April 3rd, we went out for bid for the demolition of the existing bridge and the installation of the new bridge. The project should be awarded in May. Construction is still anticipated to begin in August.

Another project that has gone out to bid recently for construction this summer is the Hamot Road Sidewalk Project Phase 1. This project consists of ADA curb ramps and crosswalks at the intersection of Hamot Road and Chelsie Drive. It also includes the construction of approximately 1350 feet of 5-foot-wide sidewalk from Chelsie Drive to Laurie Drive along the southwest side of Hamot Road connecting into the Trails at Five Points. This is the first phase of a multi-phase project to improve pedestrian mobility in this area by interconnecting the subdivisions with sidewalks.

The next phases will see sidewalk extend along Laurie drive to Hamot Road, and the sidewalk on Hamot Road continue to Dorn Road and end at Marlee Way. This is one project heavily requested by the public during the Township's recent Comprehensive Plan update, and the Supervisors decided to fast track this project and to get Phase 1 going as soon as possible. It is anticipated the project will be awarded in May, and construction is to proceed as quick as possible in the hopes that the sidewalk will be open this summer.

This year's paving project will be two streets off of upper Peach Street. The first will be Mandy Lane from Douglas Parkway to Commons Drive (the road between Northwest Savings Bank and Eat'n Park). The second street is Keystone Drive from Peach Street west to the cul-de-sac. More information will be provided in a later report.

Summit Township Resident's Weekend!

Friday, July 26th thru Sunday, July 28th

Mark Your Calendar Now

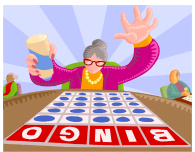

The Summit Township Rec Board would like you to enjoy the weekend with fun and games at Picnicana Park. Rain or Shine, the park is reserved for township residents to enjoy all weekend! This event is free to all Summit Township residents. *The Rec Board would like you to consider bringing a non-perishable food or paper product donation on Saturday to benefit the Summit Food Pantry. Some items they are in need of are toilet paper, paper towels, dish soap, hand soap, peanut butter, tuna fish, soup, fruit cocktail and cereal, but any donation you can make will be greatly appreciated!

Friday, July 26th-Carnival Night/Art Show

Carnival Night- Please join in on the fun starting at 6:00pm with the summer program's "Carnival Night"! Residents are welcome to use the facilities, mingle with your Summit Township neighbors, and tumble in/on the inflatable objects!

Art Show - There will also be a reception with local artists, viewing of art, and refreshments at the municipal building from 5:00pm to 7:00pm. The Art Show will continue to be on display Monday-Friday during normal business hours through August 2nd. We hope this schedule provides an opportunity for all Summit Residents to come check out the amazing talent right here in our community!

Saturday, July 27th (Don't forget to bring your Summit Food Pantry donation)

Bingo - 5:00pm-8:00pm, enjoy a friendly game of Bingo with your neighbors along with the opportunity to win prizes!

Food - Food serving will begin at 5:30pm. Sit by the bonfire; enjoy corn-on-the-cob, hotdogs, slushies, nachos & cheese, s'mores, popcorn and drinks. The Summit Seniors will also be hosting their Bake Sale. Please support them in their endeavor.

Movie - At 8:30pm, join in for a great children's movie on the big outdoor screen. Bring a lawn chair or blanket to sit back & relax while watching the movie under the stars!

Sunday, July 28th

Pass the Pancakes 5K Run and Fun Walk - Start your day at 7:00am (run starts at 8:00am) with the 8th Annual "Pass the Pancakes" 5K Race or Fun walk. Prizes will be awarded in all age categories. Proceeds benefit the FLB Soccer Club. Contact Adam Suroviec or Thom Miller for registration information - call 814-796-7169 or text 814-460-7739.

Pancake Breakfast - Follow the run with a delicious Pancake Breakfast fundraiser hosted by the Fort LeBoeuf Soccer Club and their families. Breakfast will be served 8:00am - 1:00pm. Support a Bake Sale hosted by the Senior Center. Try your luck at the Chinese Auction hosted by the Picnicana Summer Program attendees, drawings will be held at 11:00am Sunday morning.

For questions or additional information, please contact any Rec Board Member:

ATTENTION PHOTOGRAPHERS: 2020 CALENDAR PHOTOS NEEDED!

Our 2020 Calendar will be titled: "Summit Skies". With some of the most beautiful sunsets right here in Summit Township, it shouldn't be hard to capture that perfect photograph. Take a picture of a cloud that looks like an animal or an object. How about a picture of sunbeams breaking through the clouds? Just remember to take those photos HORIZONTALLY! Also, keep in mind that the quality of a photo taken with a cell phone camera is often compromised when enlarged which makes it unusable. Submit your photos on a CD or USB to Summit Township, Attn: Michelle Nesselhauf, 1230 Townhall Rd. W., Suite 100, Erie, PA 16509. You can also email your photos in .jpeg format only to mness@summitpa.us. Please make sure to include photographer's name and contact information. Submission deadline is November 15th, 2019.

Once Upon A Time...

This quarter's display features the Summit Lions Club. We very much appreciate their participation.

Next quarter there will be a special display on bees, nature's pollinators. Chester Lee is fighting the decline of our native bee population which started here several years ago. His website is <https://www.nationalnativebeeprogram.com>.

We need a display for the fourth quarter. Please contact the Summit Township office at 868-9686 if you are willing to loan or donate any items. Our goal is to display Summit history for everyone. Other Summit organizations are encouraged to provide a display.

Volunteers are in the Summit History room on Thursdays from 9:00 a.m. to 11:30 a.m. If anyone is interested in researching their Summit history or creating a family tree please stop in, we would like to help you if possible.
