

SUMMIT TOWNSHIP SUPERVISORS

Public Hearing

Monday, February 1, 2021

Chairman Lee called a public hearing with the Board of Supervisors to order at 6:00 p.m. following salute to the flag. Supervisors Davis, Lee and Welka were present, as were, Zoning Administrator Cass, Solicitor Chris Sennett, Engineer Jonas, Secretary Vallimont, and three interested persons.

CALL TO ORDER

Chairman Lee explained that the purpose of the hearing is to receive public input regarding an amendment to the Summit Township Transportation Map, to vacate an existing Right-of-Way running west and east between Peach Street and Nies Road and to become an integral part of parcel ID #40-021-101.0-042.00. This is a 25' x 1200' piece of property that originally had been created for a road. The road was never developed, as this is too narrow.

PURPOSE OF HEARING

There was no correspondence.

CORRESPONDENCE

Jim Chojnacki questioned whether a cul-de-sac could be created at the end of Nies Road in exchange for the vacation of the ROW. Welka explained that there is currently a turn-around that is sufficient.

PUBLIC INPUT

Motion by Lee, second by Welka, to adjourn the public hearing at 6:03 pm.

ADJOURNMENT

Respectfully submitted,

Lisa A. Vallimont
Municipal Secretary
