OLIVER RD
SIDEWALK BID

Zoning Administrator Cass reported that the zoning office has received several comments, both written and telephone calls regarding the zoning ordinance update. Several workshops have been scheduled, one for each zoning district, to better explain changes to residents. Nancy Agostine questioned the timing of the workshops and wanted clarification of comments made at the March 1st meeting. T. Sennett replied that the supervisors are working through all of the comments and addressing each residents' concerns.

LAND
DEVELOPMENT

Solicitor C. Sennett reported that he will be preparing a resolution for the taking of the Glory Drive property.

SOLICITOR

Engineer Jonas reported that he will be meeting with PennDot prior to the Cherry St. Ext. milling. The rain garden is near completion with topsoil being spread. The supervisors will consider an ordinance for a three-way stop sign at the intersection of Veit Dr. and Weber Lane at the next meeting. Bids for the round-about at Five Points will be opened on May 6 and the Elk Creek Rd bridge replacement should start around June 1.

ENGINEER

Joseph Kuzma asked if the kitchens will be open at Picnicana this summer. At this time, there is no plan to open the kitchens. If regulations for the pandemic change, that could change as well. Thomas Church thanked the board for their input and education of the residents regarding the zoning ordinance update. Mr. Church also inquired about snowplowing at the round-about since township and state roads both intersect. M. Jonas and M. Welka stated that the details have not been worked out with PennDot yet, but this will definitely be a learning experience.

PUBLIC INPUT

Supervisor Welka reported that work continues on the storm sewers on Donation Road. The slurry seal is scheduled to be Monday, May 3rd, weather permitting.

SUPERVISORS

Supervisor Davis reported that the boy scouts recently had an overnight at Picnicana. Supervisor Lee discussed the zoning ordinance updates and talked briefly of the immigrants brought to Summit Township by the federal government.

With no further business to come before the Board, motion by Welka, second by Davis, to adjourn the meeting at 5:00 p.m.
