

SUMMIT TOWNSHIP PLANNING COMMISSION
Regular Business Meeting
Monday, May 11, 2020

The Summit Township Planning Commission regular business meeting was called to order by Chairman Timothy Will at 7:00 p.m., followed by a salute to the flag. Present were board members Bill White, Tracey Colvin and Christopher Lynch. Also, present were Supervisor Mark Welka, Zoning Administrator Tamara Cass and Engineer Matthew Jonas, and no interested members of the public.

CALL TO ORDER

Due to Covid-19 and social distancing, this meeting was moved to an online format.

Motion was made by Lynch, seconded by White, to approve the March 9, 2020 minutes as presented.

Jim Welka, of Henry T. Welka and Associates, was present on behalf of the Southland Investment, Land Development Plan, Parcel ID No. 40-015-084.0-092.00, B-1 (Business). Welka stated that the owners are proposing to utilize 1,880 sq. ft. portion of the existing 7,531 sq. ft building as a sales office for automobile sales. Welka noted that this is former Evelyn Welz property that was purchased by Robert & Gregory Humes and Matt Clark, also known as Southland Investments in business as Humes Automobile Dealership. White asked if they were planning on paving the lot. Welka stated that they are planning on asphalt paving the automobile sales lot. White asked if the stormwater was updated on that lot. Welka explained the stormwater was put in a while back but has been checked to make sure it complies with the current ordinance. Colvin asked if the automobile sales will impact the traffic on Peach Street. Welka indicated the lot will display vehicles only and all sales transactions will take place in Waterford at their other location. White asked about the existing outbuildings. Welka explained the buildings on the lot were from the previous owner and they do not have any plans for those buildings.

Jim Welka of Henry Welka and Associates, was present on behalf of the Southland Investment Alternate Greenspace Plan, Parcel ID No. 40-015-084.0-092.00, B-1 (Business). Welka stated that the plan is an alternate as they are utilizing the existing greenspace on the North, East and South Sides of the parcel. White asked why are there shrubs instead of trees. Welka responded and said if you would like trees, we can have trees. *Trees it is.*

Cass updated the Commission members on the zoning amendment process. Cass noted that Colvin provided several pages of clerical errors found in the zoning ordinance draft and we sent the changes via fed ex to EPD. Cass also worked on definitions and clerical errors that were discovered in the draft ordinance. EPD is to provide a fourth draft ordinance for Township Review soon. It will be forwarded to the Planning Commission for their review.
