

## Scholarship Application

**Deadline April 21, 2023**

The Erie County Association of Township Officials (ECATO) and the Erie County Association of Municipal Administrators are offering three scholarships in the amount of \$800 each to three selected students of Erie County.

**Applicants must reside in a Township in Erie County. See the Townships listed at the bottom of this cover letter.**

Applicants must have been accepted for admission to an accredited college, university or school that offers a two (2) or a four (4) year degree/certificate program. The scholarship is only for first year (freshman) students at the college, university or school. ECATO is especially interested in those students who elect to major in political science and/or environmental studies.

Scholarship payment, in the amount of \$800, will be made directly to the college, university or school in which the recipient is enrolled. In the event that a recipient withdraws or the freshman year is not completed, the institution will be directed to return the money to the Association.

**Township officials of ECATO and their immediate family members are not eligible for this scholarship.**

The successful recipients will be notified at a later date for presentation.

The attached three-page application may be duplicated. We recommend, but do not require, that applicants use a Portable Document File version (PDF) of this application that can be completed by Adobe Typewriter and printed. It is available for downloading at:
