

A VIEW FROM ABOVE

Summit Township 2024 Calendar

Dear Summit Residents,

Our 2024 calendar titled “A View from Above” includes photos taken with our drone by the township engineering department. We couldn’t fit all the fantastic photos they took in the calendar, so check out the back cover for more views from above. Thank you, Matt and Joe, for such beautiful pictures.

The township has been working with the Pennsylvania Department of Environmental Protection to come up with a way to provide curbside recycling pickup that works best for everyone involved. In the meantime, please continue to utilize the drop-off location at 8900 Old French Road next to the Township Garage, as recycling is still mandatory for all Summit residents.

Bayfront Glass also has glass recycling bins located in the same area. Make sure to follow all instructions when dropping off commingled recycling and/or glass recycling to eliminate “contamination”. Please see the detailed drop-off information located on this same page.

Recycling your old electronics is also mandatory, which you can do at our annual spring clean-up. This year’s spring clean-up will be on Saturday, May 11th.

You can also recycle them through the Erie County Recycling Program or at the store where you purchase your new product. Information on where to recycle other items is listed at the front and the back of this calendar. If you have any questions regarding recycling, please call the Municipal Office at 814-868-9686.

Thank you, and have a great year,

Michelle Nesselhauf
Recycling Coordinator

GLASS RECYCLING IN SUMMIT

Summit Township has partnered with Bayfront Glass, LLC to provide glass recycling to Summit Township residents. Bins are placed next to the Township Garage on Old French Road where the old Municipal Building used to be. Please follow the attached use instructions which are also posted on the bins.

ReStore

REMODELING? DON'T FORGET THE HABITAT FOR HUMANITY ReSTORE

The ReStore, located at 4922 Pittsburgh Avenue in Erie, is a retail store operated by Greater Erie Habitat for Humanity. It's an outstanding opportunity to promote reuse and recycling of MANY items all while helping a great cause. The store is open to the public on Fridays from 9am – 12pm and Saturdays from 8am – 4pm. It's a great way to cut costs if you're doing a remodeling project!

If you don't need anything to complete your remodeling project, but you have new or gently used items to donate, ReStore is also the place for you! They accept donations or building materials including doors, windows, sinks, flooring, vanities, countertops, lights, as well as most other items that go in a home. They also accept kitchen cabinets and appliances that are less than 10 years old. To donate, please go to 4922 Pittsburgh Avenue on Tuesdays, Wednesdays and Fridays from 9am – 3pm. Drive around to the back of the building to the north facing loading dock. For more info, please visit them on the web at habitat Erie.org/restore.

Prevent Water Pollution

What is an Illicit Discharge?

An illicit discharge is the disposing, dumping, spilling, emitting, or other discharge of any substance other than rain water into the storm sewer drainage system. The storm sewer drainage system includes streets, ditches, catch basins, yard drains, and stormwater detention/retention facilities.

Unlike sanitary sewers, storm sewer drains DO NOT lead to treatment facilities. This results in illicit discharges causing water pollution by sending pollutants right into our swamps, streams, ponds, and lakes. Would you dump oil into Walnut Creek? If you dump oil into a drain at the end of your driveway then your answer would be yes. Be sure you know what illicit discharges are so you can help prevent water pollution and keep our water clean!

Examples of an illicit discharge include:

- Sanitary wastewater
- Effluent from septic tanks
- Car wash wastewaters
- Improper oil disposal
- Radiator flushing disposal
- Laundry wastewaters
- Improper disposal of auto and household toxics
- Sediment and pollutants from construction sites

Reporting Illicit Discharges

To report an illicit discharge into our storm sewer drainage system and help prevent water pollution, please contact the Summit Township Municipal Office using one of the following:

- Phone: 814-868-9686
- Email: sumtwp@summitpa.us
- Website: <http://summittownship.com>
 - a) Click on the Contact Us tab - OR -
 - b) Click on Quick Links → Document Center → Stormwater Management → Citizen Complaint Illicit Discharge Reporting Form

Any substance other than storm water discharged directly into the storm sewer drainage system is a violation of the Summit Township Stormwater Management Ordinance, the Pennsylvania Clean Stream Law and the Federal Clean Water Act. Violators could face possible fines and cleanup costs.

**WHAT HAPPENS WHEN WE DON'T
PROTECT OUR STORM WATER SYSTEM?**

Beaches close due to high levels of bacteria carried by storm water that make swimming unsafe. Also, more money will be spent maintaining the storm sewer system that becomes polluted by chemicals or clogged with dirt and debris.
