SUPERVISORS
Jim Chojnacki inquired what the end of year meeting was for. L. Vallimont stated this was to address any business to come before the board prior to the end of year and to approve the final budget for next year. Kevin Ingraham, Honeysuckle Drive, is unhappy with the traffic signals all the way down Peach St. due to the fact that they seem to be synchronized incorrectly. He is concerned with auto delivery trucks are parked in the center of Route 19 in front of the auto dealers. The manhole covers on Peach St appear to be lower than the pavement. Kevin feels that the public water is poor, he has experienced brown water in his tub and the pressure seems low. Additionally, garbage pickup has been nonexistent and there should be something the township can do to address this. It was recommended that Mr. Ingraham contact PennDot and the ST Water Authority. It was also stated that we do not have a contract for trash hauling.	PUBLIC COMMENT
With no further business to come before the Board, motion by Davis, second by Welka, to adjourn the meeting at 5:01 p.m. Vote: 3/0	ADJOURNMENT

Respectfully submitted

Lisa A. Vallimont, Secretary
