Supervisor Davis commented that things are going well and they are wrapping up with the snow equipment and starting to get tractors and mowers ready. SUPERVISORS
Supervisor Welka reported that the crew has been cleaning yards and they are working on fine-tuning the plows and wings on the new trucks.

Ed Weber, John Borges and Charles Earl, all residents of Popp's MHP, questioned the park owner's right to charge for water on an average-use basis. The STWA stopped reading individual meters a number of years ago and the billing at the park is outrageous. Mr. Weber feels this is discrimination against the homeowners. It was explained that the Water Authority is its' own entity, and the township has no say how business is run. The STWA's next meeting is tomorrow morning at 9:00 am in this meeting room. PUBLIC COMMENT

With no further business to come before the Board, motion by Davis, second by Welka, to adjourn the meeting at 6:41 p.m. ADJOURNMENT
